

## Change of Company Name

Battery anode and graphene company Talga Resources Ltd (**ASX:TLG**) is pleased to advise it has changed its name to Talga Group Ltd (“**Talga**” or “**the Company**”).

The name change reflects the Company’s position as an emerging producer of a diverse range of sustainable graphitic products and technologies spanning lithium-ion battery materials and graphene additives. Talga is differentiated from its ASX listed peers by virtue of its full vertical integration with in-house processing and product technology across multiple wholly owned European subsidiaries.

The change of the company name was approved by shareholders at Talga’s Annual General Meeting held on 12 November 2020 and is effective 13 November 2020. The Company’s ASX code TLG remains unchanged.

### About Talga

Talga Group Ltd (ASX:TLG) is building a European battery anode and graphene additives supply chain, to offer advanced materials critical to its customers’ innovation and the shift towards a more sustainable world. Vertical integration, including ownership of several high-grade Swedish graphite projects, provides security of supply and creates long-lasting value for stakeholders.
